Inspected Bulbs

TERMS—Cash with order.

PRICES—One to five bulbs of the same variety will be supplied at one tenth the dozen rate each; six to thirty six at the dozen rate; and thirty-seven or more at the hundred rate.

On orders over \$1.00 bulbs will be sent pre-paid at prices quoted. Under \$1.00 please add 15%.

All bulbs offered subject to prior sale.

We do not substitute unless requested.

Bulbs ready for shipment or delivery Oct. 1. Those living nearby who prefer to call in person for their bulbs and discuss varieties, are welcome. However mail orders will receive careful attention and first class stock.

All bulbs sold are guaranteed true to name and in first class condition. We will replace any that are not. As the growing is beyond our control, we cannot be responsible in any way for the result of planting or forcing of any bulbs we send out.
